

Beyoncé and Levi's® Launch Chapter 3 with REIMAGINE: *Refrigerator*

San Francisco, CA (April 14, 2025) – The Levi's® brand, in collaboration with global icon Beyoncé, today debuted *Refrigerator*, the third chapter of the REIMAGINE campaign. In the new film and accompanying imagery, Levi's® continues to highlight the brand's heritage as inspiration for reinvention.

The first two chapters, *Launderette* and *Pool Hall*, reignited conversations around Levi's® legacy, with *Launderette*'s subversive take on the brand's classic ad and *Pool Hall* paying homage to Levi's® deep ties to music and counterculture. The third chapter, *Refrigerator*, brings the campaign into a new setting – a roadside diner – where timeless style meets undeniable confidence. Once again, Levi's® teamed up with Grammy Award-winning director Melina Matsoukas for this chapter, which highlights how Levi's® remains a canvas for individuality, self-expression, and cultural influence for today.

The campaign was conceived in creative partnership with TBWA\Chiat\Day LA and produced by de la revolución/PRETTYBIRD.

Inspired by the Levi's® 1988 Refrigerator commercial, this chapter transforms the ad's original spirit into a modern statement about confidence, originality and empowerment. Set in a sun-drenched roadside diner, the film reimagines the 1988 Refrigerator ad, with Beyoncé as the lead. In the Levi's® Iconic Western Shirt, 501® Original Shorts, a crisp white tank, and a classic red paisley bandana, she moves with confidence, ready to take on her next challenge. With a special cameo from Willie Jones, a collaborator on *Cowboy Carter*, the campaign seamlessly connects the brand to Beyoncé's broader artistic universe.

"Levi's® isn't a legacy brand - it's a brand with an incredible legacy that has consistently remained at the center of culture" **said Kenny Mitchell, global chief marketing officer of the Levi's® brand at Levi Strauss & Co.** "Through REIMAGINE and our partnership with Beyoncé, one of the most influential artists of our time, we're building on decades of classic Levi's® iconography and celebrating what it means to lead with intent and confidence."

"Refrigerator" launches with a fully integrated global campaign, including television, digital, social media, out-of-home and brand activations.

The campaign continues the Levi's® tradition of working with the most celebrated creative talents of our time. Matsoukas collaborated with Emmy Award-winning cinematographer Marcell Rév and acclaimed photographer Mason Poole to capture the visual essence of "Refrigerator," building on the legacy of iconic Levi's® campaigns and photography.
